## Betsy Gornet

MS, FACHE, CPC/PTC

Senior Consultant

Betsy is the president of The Sonnet Group and is a frequent collaborator and strategic partner with Hanserd Health Solutions.

Betsy has 30+ years of experience in consulting services and performing in senior leadership roles in healthcare systems and community-based organization across all segments of the healthcare continuum. Betsy has held numerous C-Suite positions, including CEO and COO roles. Today, Betsy provides strategic and operational consulting, advising and coaching services to healthcare and community-based organizations, senior leaders, and their teams. She is frequently tapped as a subject matter expert to organizations and collaborative groups developing large scale innovative care models. Betsy also carries a private practice specific to coaching individuals from all walks of life. Driving her passion for coaching is a deeply held appreciation for what fuels successful individual and collective innovation and problem solving – the desire to elevate a sense of ‘whole-being’ within her clients’ experience of life, wherever they may find themselves.

Betsy has served as a principal investigator for a care innovation project through a CMMI award and has been a national thought leader in developing scalable, replicable, sustainable programs across the continuum of care. Betsy frequently participates in healthcare and social legislative initiatives at state and federal levels.

Betsy holds an MS in Health Systems Management from Rush University, Chicago, IL and is a Fellow in the American College of Healthcare Executives. She holds separate credentials in executive coaching and team coaching. Betsy is a LEAN trained executive.
